As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute" will answer the purpose, or "is just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it if "something else" is offered you. Henry W. Ray, adjoining Postoffice.

THE LEDGER, Bro. Marsh, moves an amendment: "Why doesn't the Internal Improvement Committee give Second Sahara, in the Fifth and Sixth Wards, a cleaning?"

People often speak of a trillion as a possible number. The fact is not a trillion of seconds have elapsed since the creation of Adam, nor will that number have elapsed until February 1st in the year of our Lord 2583, for in a trillion of seconds there are 31,687 years, 32 days, 1 hour, 46 minutes and 40 seconds.

COONTOWN 400.

The Company a Fine One—Excellent Music By the Maysville Orchestra.

"The Coontown 400" drew quite a handsome audience at the Opera-house last evening.

The Company was certainly one of the best ever seen in Maysville.

The singing by the entire troupe, quartette and individual members was specially fine and heartily enjoyed.

The dancing and other features were also cleverly done, and altogether the production was one worthy the number who were present.

The Maysville Orchestra furnished the instrumental music. The Orchestra has lately been greatly strengthened by the acquisition of Mr. Robert J. Bullitt, the violinist. Mr. Bullitt is a new-comer to Maysville but is without doubt one of the most excellent performers on the violin ever heard in this city.
